

Notice of a Rule Change to the National Rules

An application has been made to the Industrial Registrar on 12 March 2009 for approval to an amendment of Rule 23(a) which was carried by the National Executive at its meeting in November 2008.

The effect of the change to Rule 23(a) was to increase the maximum possible annual membership fees that a Branch can set from \$400 to \$600. Actual membership fees set by the Branches are lower than the permitted maximum.
